| <u>14</u> Land                           |                  |   |

# Have you got your bronze wings?

## Why not have a go at Precision Aerobatics!

If you're a member of a local RC club, you'll know that after you achieve bronze wings, you're pretty much on your own. Apart from a few tips from mates, you could fly aimlessly for years....

### Imagine:

- Flying with purpose!
- Improving your flying with every trip to the field
- Setting up a plane to maximise its performance
- Gathering with like-minded enthusiasts working to improve their flying
- All the fun you'll have with a new group of mates

All this is available now, enter a local aerobatic competition and let our members ***FAST-TRACK*** your flying ability to the next level!

For heaps of useful information and discussion on competitions practice and trimming visit:
